Lugherra
ISOLA DEI NURAGHI
INDICAZIONE GEOGRAFICA TIPICA

Of an intense ruby red color, with dark purple shades, the wine smells of Indian ink and red and black wild berries in a superb balance with slight notes of vanilla and tobacco, refined by a hint of oak wood. On the palate it feels intense, persistent and well composed. The warm and soft notes of full flavour give this wine with a strongly mineral nature, a nice spicyness that will blend with the corroboration of back-olfactory aromas.
